

## Valsoia participates at the Italian Stock Market Opportunities Virtual

Bologna, 23 September 2020 - Valsoia, *the leading Italian company in the production and marketing of health food products*, will participate tomorrow, 24 September 2020, at the ISMO - Italian Stock Market Opportunities.

The event, organized by Intesa Sanpaolo, aims to promote the meeting of Italian and institutional investors and representatives of several medium and small capitalization companies, listed on the Italian Stock Exchange in the MTA and AIM markets, representing Italian excellence. For this edition, meetings will be organised in virtual mode, allowing listed companies to hold meetings remotely.

The event will be attended by the CEO and GM, Andrea Panzani, and the CFO, Nicola Mastacchi, who will present to the investors the main economic and financial results of the first half of 2020 which showed a + 17.2% growth in Revenues (of which Export + 43.9%) compared to the first half of 2019 and a + 52.7% increase in profit compared to the same period of 2019.

Valsoia CEO and GM Andrea Panzani commented: *"As always, we are pleased to meet the investors both to comment on the results of a positive half-yearly report, which has matured during such a delicate period for the markets, and to provide information about our Company's strategies. During the meetings we will present the ongoing projects, including the one concerning the entry into the "food supplements" market with an innovative line of natural and 100% vegetable products under the Valsoia brand and dedicated to GDO channel. We will also comment on the positive trend in foreign sales which contribute to making "internationalization" one of the pillars of our future growth strategy"*.
